

ST. JOSEPH'S Doora Barefield Camogie Club

Annual General Meeting 2020

AGENDA

- i. Minutes of Annual General Meeting 2019
- ii. Chairpersons Address
- iii. Secretary's Report
- iv. Treasurer's Report
- v. Team Reports
- vi. Elect and Appoint Officers
- vii. Election of Officers to the County Board sub-committees
- viii. All Team Managements and Mentors to be announced at a later date.
- ix. Approve or disapprove motions and bye-laws
- x. Membership fees
- xi. AOB

MINUTES OF ANNUAL GENERAL MEETING 2019

Chairperson, Caroline O'Connor, opened the meeting. All members welcomed.

Minutes from AGM 2018 referred to in booklet, proposed by TrishTowey, seconded by Siobhan Hoey.

Chairperson's address delivered by Caroline O'Connor.

Secretary's report read out by Anne Moloney, copy of same in AGM booklet. All team reports referred to in booklet.

Treasurer's report read out by Ivan Kerins, copy of same in booklet. All questions from the floor answered fully and queries sorted to all members satisfaction.

Prior to election of Officers, Sharon Meaney & Orla Moloney – PROs and Josephine Howard-Child Officer, advised that they would not be continuing in their present roles. All other committee members to remain in their position, proposed by Siobhan Hoey, seconded by Sheila O'Connor. Nominations were asked from the floor for both roles. Sharon Meaney was proposed by Colette Bohannon for the role of Child Officer and seconded by Siobhan Hoey, no one else was proposed. No nominations for PRO, committee will address this at next committee meeting.

Team managements to be reviewed and appointed prior to January.

One motion was proposed from the floor "that" for large clubs at under blitzes be put into 2 venues (4 teams allowing 2 teams per venue)

The meeting was advised by Caroline O'Connor that membership fees for the coming year will be increasing – Senior players €50 to €70, Juvenile players €40 to €55 (€50 for 2 or more in a family), mentors/committee members €5 to €15. Anne Moloney addressed the meeting and advised that the County Board are proposing an additional levy of €12 per each club member to go towards camogie development within the county and maintaining Fr McNamara Park. As part of this the August levy would be abolished and if each club want to hold the annual church gate collection the club can keep all the funds raised. It was discussed and debated among all members at the meeting. The club are supporting this increase, proposed by Colette Bohannon, seconded by Aisling Daly.

Club Registrar Aine Brookes addressed the meeting and advised that registration for 2020 will be online. Two systems are being looked at and a decision will be made on the most suitable system for our club in due course.

Fundraising was addressed by Caroline O'Connor and how important it is and how the club require all members support in this. It was agreed that a subcommittee be set up for organising a major fundraiser and it was suggested to organise same for early in the New Year.

Meeting closed at 9.15pm with Caroline O'Connor thanking everyone present for their ongoing support.

Anne Moloney
Secretary

SECRETARY'S REPORT 2020

I would like to welcome everyone to our virtual AGM, which is fitting after our very unusual GAA year. Nobody could ever have predicted what 2020 was going to bring to us all. Thank you all for logging on to our "new normal" way of doing business.

In January we started our year by celebrating our successes of 2019 and looking forward to competing and hoping for success at all levels in Camogie. Unfortunately this was not to be. Just as we had all age levels ready for training, the country went into lockdown. As a club we stood together and took our guidance from both our Senior Club and The Camogie Association.

As the country was in lockdown, the GAA asked for clubs to have a supply of volunteers to assist our elderly and neighbours living alone with shopping and deliveries. No surprise that the Camogie Club weren't found wanting with a large number of members volunteering. A huge "Thank you" to each and every one of you!

As training was being reintroduced new roles and responsibilities were required. Thankfully we had no problem in getting members to take on the new roles of Covid Officers. Training took place under new regulations and as the country started to re-open, matches began in Gurteen again. Unfortunately, support for our various teams was restricted with our parents, families and members all abiding by these new rules.

Our year has ended unexpectedly with initially Level 3 and now Level 5 lockdown. Our U14s, U16s and Minors had reached various finals. These are now scheduled for early 2021.

As parents and family members we all know a lot of work goes into coaching our teams and getting our girls prepared for matches. This was done by all our coaches and mentors with enthusiasm, positive attitude, fun and dedication, all of which is much appreciated by our players and indeed the committee in these uncertain times.

I would like to thank everyone involved in St Joseph's Doora Barefield Camogie Club this year, our coaches, our volunteers and all who assisted and supported our club in any way.

It has been an honour for me to be Club Secretary for the past 3 years; I have been very lucky and fortunate to be part of some of our Club's great successes. As I step down I wish our new committee the best of luck! As one of our coaches said to me earlier in the year when she stepped into her new role "if I don't stand up and coach how can we expect anyone else to?" This too applied to me 3 years ago!

"Good clubs make a county but great families make a Club"

Mile Buiochas
Anne Moloney

TEAM REPORTS

Senior Camogie 2020

The 3rd January 2020 signalled the end of the festive season for our adult camogie players as we returned to the gym for strength and conditioning training under the watchful eye of Donal O Halloran. There was a great sense of excitement and anticipation among players as we kicked off our year. As the evening progressed I soon discovered that the source of much of the excitement was not even remotely related to our eagerly awaited return to the playing fields in Gurteen, instead talk of "Refreshers Week" in college, the impending Leaving Cert and trips abroad for the summer were the topics of conversation as players rested between stations. The efforts of players in the gym was to set the tone for the year ahead. Little did we realise as we laughed and joked in the gym how drastically our year would change.

On Saturday 29th February, a number of our panel members toggled out with the Clare Senior Camogie Team as they faced Cork in the league, that evening NPHET announced the first confirmed case of Coronavirus in Ireland. Our first outing of the year was to be a challenge versus Inagh/Kilnamona however it was agreed to kick the can down the road on the fixture as the situation in relation to Covid-19 in Clare and indeed nationally had deteriorated. On March 12th it was announced, from across the Atlantic, that schools and colleges would close. This was quickly followed by the cancellation of St. Patrick's Day festivities and then, to our dismay, the cancellation of games and training in all codes of the GAA.

For the first week or two of lockdown we did nothing as we expected to return to training in the short term. When the leagues were cancelled, we realised we would not be returning to Gurteen for a while. Players were issued with weekly fitness and camogie tasks the details of which were submitted by individual players to the adult camogie WhatsApp Group. Usain Bolt was nervous

based on some of the times submitted but that was irrelevant as the purpose of the exercise was to maintain some level of fitness and more importantly to maintain a connection with and among panel members. It was heartening to see so many players training on the roads and in the Fairgreen as I tended to my own fitness regime!! Like every sector of society, we had to adapt to our newfound reality and we resorted to Zoom sessions for training as the weeks passed.

On the 26th June we finally returned to the pitches in Gurteen to prepare for the upcoming championships. Despite the threat of Covid-19 we returned with confidence as the procedures and protocols put in place by the Senior Club to ensure player safety were exemplary. As a unit we will always be thankful for the efforts of the executive of the Senior Club and those of the numerous volunteers who assumed the role of Covid-19 Officer.

It was great to be back meeting panel members in person and training face to face. The excitement of returning to training was tinged by an element of disappointment as team management decided that we would not be able to field a Junior team in the 2020 championship. This decision was not taken lightly and was reached having given due consideration to the exceptional circumstances we found ourselves in and the condensed nature of the adult and underage championships in Camogie and Ladies Football along with player unavailability and injury. Younger members of the Junior panel had championship at their own age grade to focus on so only a number of adult players were directly affected by the decision. It would have been easy for them to walk away. The manner in which the affected players responded, evidenced by their dedication and attendance at training, is testament to their character as individuals and shows their commitment to our team and club. Once full team training resumed preparations were ramped up and challenges versus Clarecastle/

Ballyea, Clooney/Quin and Inagh/Kilnamona proved most beneficial.

The midgets thankfully stayed at home as we took on Newmarket in our opening Senior Championship game in Shannon Camogie Field. Rules and restrictions limited contact between mentors, supporters and officials, none of these applied on the field of play and our players were not found wanting. After a tumultuous battle against our seasoned opponents we ended up on the losing side in a game in which the score line did not reflect the competitive nature of the contest.

Additional injuries in advance of round 2 versus Kilmaley forced a rethink. In the early stages we ran in to a well-deserved four point lead but missed opportunities on our part and a couple of goals reminiscent of Gerry "Ginger" McLaughlin's wonderful try for Ireland in 1982 meant we were not to be the victors. Kilmaley subsequently went on to bring the eventual county champions to extra time in their semi final clash which further proved our readiness for senior ranks.

In addition to stringent Covid-19 controls we had to endure torrential rain during our third-round clash with Kilkishen/Bodyke in Cratloe. We were highly competitive for much of the game but a lapse in concentration after half time coupled with a high wide count meant we lost out by a single score.

Our last outing of the season was against Truagh/Clonlara and we headed off to Clooney with a panel of 19 players. The way the players faced up to the challenge of the opposition was one team management were very proud of. There was no quarter asked or given, as it should be. Unfortunately, victory was not our lot.

Everyone involved in adult camogie this year would like to extend a huge THANK YOU to the camogie club executive for the tremendous support we received from the start of the year when we celebrated last year's Intermediate Championship win right through to our final game.

We hope the experiences of this year will

act as a launching pad for a serious challenge for senior honours next year. Players are one of the few constants in any club over a period of time. There-in lies the strength needed for success.

Míle buíochas daoibh go léir.
Senior Camogie Management 2020

Martin Moloney

U6 Camogie

We had great excitement after the summer lockdown with about 25 young and eager U6 girls taking to Gurteen on Sunday mornings. Thanks to all the coaches and Covid Officers, Brian, Caroline, Anne, Daragh, Kevin, Maria and Sinéad who made it happen.

Bernard Cosgrove

U8 Camogie

Due to unprecedented times our season this year was short lived. We did not commence our training until the 28th July and unfortunately it was cut short by the closure of Gurteen mid-September.

However despite all these obstacles we had a fantastic turn out of young ladies at each training session. An average of 25 young ladies turned up in Gurteen for each session.

During each session the girls were divided into small groups to practice their drills, at all times adhering to Covid guidelines. We tried to hone in on the basic skills which would have been thought to them at u6 level. Such skills included the correct hurley hand, ready position, c swing and pucking the ball. Each session ended with a game again dividing the kids into age appropriate groups.

Not only was it important for us to instil the basic camogie skills but under the current climate it was very important to instil a sense of fun. As mentors we wanted the girls to associate Gurteen with fun and friendships as this philosophy will hopefully stay with them throughout their camogie career.

The dedication of our mentors and Covid team was second to none. Our few months in Gurteen would not have been possible without them.

The presence of these coaches meant that each coaching session ran smoothly and efficiently, a massive thank you to one and all involved.

A special thank you to our Covid team who really made it all happen. They kept both the girls and us as mentors safe throughout our times together.

We are extremely grateful all the parents who made the commitment to bring their daughter to training. Also a massive thank you for the efficiency with which you filled out the Covid health questionnaire for each session.

Even though our time together this year was short lived, we feel that the girls came on in leaps and bounds. It was an absolute pleasure to coach these young bright future camogie players and we look forward to seeing them progress through the ranks in years to come

The future of camogie in Gurteen looks promising as a result.

Beatrice Kerins

U10 Camogie

What joy and excitement we felt when Caroline and the club let us know that we were permitted to recommence our Under 10 camogie training sessions after the lockdown restrictions were lifted. It really was news we'd all been eagerly awaiting.

We initially started off with an hour every Wednesday evening and after a few weeks we decided to also go on a Sunday morning. It was so great to see the enthusiasm and commitment from our players and coaches - all eager to train and develop as players. It was fantastic to see so many players training at each session - on average 30 girls showed up each week - fair play to you all. Although our season came to a sudden halt again without a game or proper end to the year the coaches are delighted with the progress the players made and would like to thank all of these players, their parents & our wonderful COVID officers for making our lives as coaches easier. Our hope now is that each girl will continue to practice their camogie as often as they can. It would be fantastic to see all our under 10 girls returning to training in 2021 able to run onto the ball, jab lift and strike on the run - that's a challenge we are setting for you so let's see how many will be able to do it next time we meet on the training field. It's at times like this we truly appreciate sport and the social connections that are made through team sports - how lucky we are to be part of it all. Well done and stay active and safe and let's look forward to a safe return to the pitches of Gurteen in 2021.

Under 10 Camogie Mentors & Covid Officers

Aisling Daly, Sheila O Connor, Noel Brody, Bernard Murphy, Eamon Whelan, Brian Flannery, Carole Neylon, Leah Enright, Sinead Lahiffe, Lorraine McCarthy, Anne Reynolds & Joanne O Sullivan

Aisling Daly

U12 Camogie

Training for the under 12's camogie began on the astro turf one evening a week in February. At the start of the season the focus was on fitness, striking, lifting and handpassing.

During lockdown players were encouraged to practice regularly with videos being sent out demonstrating some of the skills of camogie. Girls were also asked to keep a log recording the time spend practicing in a week.

In early July we were all excited to be allowed return to train in Gurteen. On early Sunday mornings and Wednesday evenings the coaches gathered with thirty plus at all sessions. As we had thirty six girls registered, two teams were entered in the league.

The Maroon Team beat Crusheen in the first round at home. In the second round they came up against very strong opposition in Sixmilebridge who won this one. Next up was Kilmaley's first team who put up an excellent

display to win. The last game was against Clooney/Quin who proved winners on home ground.

The White Team were also drawn in a very strong group. Opposition in their group were Tulla, Whitegate, Cratloe and Kilmaley. In all the games the girls gave it their best and tried their hardest. While they suffered losses in these games the Cratloe match was a close one and their best performance where hard work and determination was evident right through to the final whistle.

Subsequent practice games against Tulla and Corofin meant all the girls got lots of match time.

While the season may have been shorter than usual all the girls made great progress striking on the ground and in the air, catching, handpassing, tackling, jablifting, blocking and hooking.

A huge thank you to parents for their support during the season from the U 12 coaches.

Rose-Anne Healy

U14 Camogie

Preparations for the 2020 U14 Camogie championship started with training on our astro-turf on Sunday evenings in November, we had seven sessions before Christmas and seven sessions after Christmas, these sessions allowed our players born in 2006 & 2007 to get

to know each other and to improve their camogie skills and general fitness. This year we were fortunate to have a large number of our players take part in the Clare U14 training which also took place in Gurteen for 6 weeks each side of Christmas. For the 2020 season we had a panel of 24 players to choose from and we had excellent attendance levels to all our training sessions. Unfortunately, our preparations were halted due to Covid later in March.

By early July we were given the all clear to re-start training under new Covid protocols. The U14 championship scheduled to start the last week in July, as part of our preparation we had challenge matches against Clooney-Quinn, Kilmaley, Ruan, Tulla and Inagh Killnamona. These challenge matches were used to give all our players as much game time as possible, and with each game we could see the continued improvement and commitment of our players.

U14 Championship

Away Win

Eire Og 3:3 To 9:4 Doorra Barefield

Home Win

Doorra Barefield 6:3 To 2:3 Clarecastle

Away Draw

Feakle/Killenana 3:5 To 3:5 Doorra Barefield

Away Win

Crusheen 3:2 To 8:9 Doorra Barefield

Away Loss

Kilmaley 3:6 To 1:9 Doorra Barefield

U14 Semi Final

Win Doorra Barefield 3:6 To 0:2 Feakle/Killenana

There was a noticeable improvement in skill level and competitiveness as the season progressed, and our girls showed great skill in getting through to the final of the U14 competition. Unfortunately, due to Covid, the date for this final is yet to be decided. The mentors were delighted with the fact that we started and finished the season with all 24 players.

It must be noted that this is an exceptional group of young girls, and their commitment to training, and willingness to take instruction combined with incredible heart and determination make them formidable opponents for any team, and they have a bright future.

Mentors: Feilim Collins, Dave Frawley, Laura Garvey, Emmett Moran, John O'Connor.

Emmet Moran

U16 CAMOGIE

This years U-16 campaign began with a difficult away fixture against a strong and well balanced Ruan side. The girls played really well on the day and were unlucky not to get something out of the game, finally going down by two points on a 2-10 to 4-2 scoreline.

Round two away to Newmarket was another

close and hard fought affair. An outstanding defensive performance by Hannah Doyle, was instrumental in keeping us in the match. A much improved second half display overall, meant we managed to get ahead on the scoreboard, and hold on for a three point win, by 3-2 to 2-2.

Two weeks later we had a comprehensive win at home to Eire Og. The final scoreline flattered us, and the game was actually a lot more competitive than the 11-6 to 1-6 score would indicate.

A win in our last match at home to the Crusheen/Banner amalgamation would have put us into the cup semi-final, but we knew this was likely to be a stern examination, and so it proved. Despite scoring 2-9, we were well beaten by a physically stronger and goal hungry opposition.

That ended whatever hopes we might have had of retaining our U-16B title, and put us into a shield semi-final. In fairness to the girls, we regrouped well, and had a good win at home to Tulla to advance to the final against Newmarket. Unfortunately, COVID 19 restrictions meant a premature end to the season and this game has yet to be played.

There are a number of people I would like to thank. My fellow selectors Emmet Moran and James Clune were a pleasure to deal with; Paula Doyle, Pauline Duggan, Anne Moloney and Caroline O Connor provided great help with first aid, communications, referees and fixtures. Finally, thanks to all the parents for their support over the course of the year.

James O'Connor

U18 – Minor B Camogie

In a year that was to focus on women in sport 2020 declaring "If she can't see it, she can't be it", unfortunately it was to be dominated instead by protecting those same girls from a pandemic outside Gurteen, Clare and even Irelands hands.

Minor championship never kicks off until August and when Covid descended upon us in March

2020 nobody would believe it would still call the shots by Autumn.

However, amidst the doom and gloom of the first half of the GAA calendar year, Minor Championship did get the go ahead and our gallant and brave squad of 21 assembled in Gurteen to be mentored by Deirdre Cahill and trained by Jamesie O'Connor.

With all Covid restrictions adherently adhered to, the girls set off in chase of the Minor B cup.

Beating Broadford/Parteen at home by two points in the very first round in late July set the tone for their campaign. Away to Clooney/Quin a fortnight later the girls claimed their second victory giving them the confidence to realise they were in with a good chance of coming out in decent positioning in the group.

But having a BYE in the next round didn't do any good and the lack of game play saw this panel travel to Clonlara on a damp school evening in September and slip into second gear suffering a severe defeat at the hands of a physically strong Truagh/Clonlara side.

It took a lot of courage to face back into the campaign after that defeat but in true St. Joseph's style, this bunch of women stepped up to the plate on a beautiful autumnal evening on home turf to see out Ruan with a six point win. This was the final game in the round and propelled our girls into second place in their group which saw them facing Kilmaley in the semi-final who had in turn topped their own group along the way.

Then on Saturday October 3rd, our Maroon and White girls made the journey to Kilmaley's new pitch in glorious sunshine. With Covid still very much in their midst, this semi-final was played in the strictest of environments but when the ball was thrown in it was obvious there was nothing else on their minds but victory. Holding Kilmaley scoreless well into the second half showed the strength and depth of this great panel of girls conceding only 1-1 in the final minutes of the hour long spectacle. Winning by 5 points, this display lifted the hearts of parents, mentors and everyone else from this great Parish that was fortunate enough to observe it on the day.

Little did we know this display was to be our last for 2020 despite the county final looming on our horizon against our old "enemies" Truagh/Clonlara. We have no doubt this bunch of girls would have claimed the title having a score to settle from their round meeting earlier in the journey. Fingers crossed we will get to witness this final hour of camogie in the not too distant future. For now as the curtain falls we have to be grateful that hurley's were held in strangest of years, that games were played and that girls flourished and improved despite the negativity we initially thought was upon us.

We sincerely thank the Camogie Association for their game fixtures, as well as all the referees, lines people and umpires that assisted along the way. We thank Chairperson Caroline, Secretary Anne, PRO Debbie for their roles through the short season. Thanks to Paula Doyle for attending First Aid at each game and Áine Moloney for helping out at training sessions and games. Here's hoping Deirdre and Jamesie get one last crack at elevating this Minor B cup in the New Year when the final is expected to be played.

Panel: Caoilfhionn Ní Chonaill, Hannah Doyle, Sinead O'Connor, Naoise Slattery, Emma Towey, Shauna Moloney, Saidhbh O'Brien, Róisín Cahill, Emma O'Dwyer, Muire Ní Chonaill (Captain), Ellen Doyle, Aoibhinn Feighery, Kate Montwill, Katie Callaghan, Róisín Dillon, Emma Clune, Oriana O'Shea, Amber Piggott, Eimear Clune, Grace Butler.
